## - Booth Specifications -

Booths will be cloth, with 8 foot high backdrop and 3 foot high side panel drapes. The side panels of the display may be no higher than 8 feet for one-half of the distance measured from the rear drape. The remainder of the side panels, out of the aisle, may be no higher than 3 feet. The backdrop of the display may be no higher than 8 feet without the approval of show management.

A presentable finished appearance is required on all areas of the display visible to the public. Any unfinished, exposed portion of the exhibit must be draped at the exhibitor's expense. Exhibitor provided tables must be skirted to the floor and have a professional-looking appearance.

Any exemption from the above must be approved by the Show Management. For all questions or information regarding booth display specifications, please Steve Tarter, Show Manager at 1-800-7469.
